All courses delivered by the Australian College of Sport Development RTO id 6930

## **Course overview**

### **SRS50206 Diploma in Sport (Coaching)**

This course has been designed to provide you with the skills to plan prepare and deliver and review training programs for individual athletes and groups within a sporting organisation. The course will teach you the necessary managerial roles necessary for coaches at the most senior level and is ideally suited to those individuals currently working in or wanting to work at a senior level in sport.

Sport Coaching Diploma Graduates can look forward to rewarding careers in their chosen sport in coaching program development and management.

### **SRS50506 Diploma in Sport Development**

This course equips you with the knowledge and skills to manage the programs and affairs of sporting organisations both large and small. You will learn the science behind sport development and the strategies to take your organisation to greater heights.

Sport Development Diploma Graduates can look forward to rewarding careers in their chosen sport in all aspects of coaching, development and management.
